📍 5201 Midway Rd.
Duluth, MN 55811

ABOUT ME

My wife, Marci and I recently ventured into the world of parenthood and welcomed our son, Mason, into the world. When I'm not busy with the family, I enjoy the great outdoors – hiking, kayaking, and camping. I'm a lover of music in (almost) all shapes and forms and I bleed Viking purple.

EXPERIENCE

Development Lead

Leighton Interactive
Apr 2015 – Present

Lead development team in all aspects of the inbound marketing development process – from the front end to back end – to ensure a solid end product. Play a hand in site design/UX as well.

Front End Developer

Impartium
Aug 2014 – Apr 2015

Maintained client websites in a variety of different content management systems.

Front End Developer

LiveEdit, LLC
Aug 2012 – Aug 2014

Integrated websites into the proprietary LiveEdit CMS. Coded upwards of two websites per day.
